Fire and Water

Legitimate insurance against
 loss by conflagration is finan-
 cial protection to owners of
 property who employ practical
 means to save themselves.

Water coming out of a hose
 nozzle at the moment and on
 the spot, is the ideal help
 against destruction.

Honolulu business properties
 should have 100 Paris Gasoline
 Turbines connected with Water
 Hoses as due support to the
 Fire Department and to make
 reasonable insurance rates pos-

THURSDAY MORNING BIBLE CLASS IN FUNDAMENTALS

The Thursday Morning Bible class
 at Central Union Church is just now
 making a study of the very Magna
 Charta of the Christian religion. To-
 morrow morning the hour will be de-
 voted to a discussion of the second
 section of Jesus' sermon on the
 mount, in which he sets forth the re-
 lation of His ideal for human life to
 the generally accepted ideal among
 the people of his race and time. To
 many He seemed revolutionary in His
 teaching, and even today there are
 few people who consistently carry out
 His ideas to their logical conclusion.

The whole question will be thor-
 oughly discussed and a statement pre-
 sented upon it during the class hour
 tomorrow morning.

The women of the city, whether
 members of Central Union or not, are
 invited to attend the class; 115 have
 now enrolled. Ninety-two were pres-
 ent last week.

The class begins promptly at 10:30
 and continues just one hour.
